### INDOOR CLIMBING SCHOOL

### COURSE INFO

**Intro to Climbing | FREE for members** 1x weekly  
Perfect for new climbers! This course offers a comprehensive introduction to top rope climbing.

**Intro to Bouldering | FREE for members** 1x weekly  
Jump start your bouldering! We designed this course to make climbers more comfortable on our bouldering walls.

**Lead Climbing** 2x monthly  
Take your indoor climbing to the next level! You'll learn critical techniques for lead climbing + lead belaying in the gym.

**Rappelling Clinic** 1x monthly  
A great option for folks looking to get the most out of our outdoor courses. You'll learn the best tools, methods + techniques.

**Anchors Clinic** 1x monthly  
Learn the fundamentals of building and cleaning sport climbing anchors and how to avoid common and dangerous mistakes.

### OUTDOOR CLIMBING SCHOOL

### COURSE INFO

**Sport Lead Climbing** Sept 20  
Equip yourself with the professionally guided, hands-on experiences needed to confidently lead sport climbs at our local crags, including advanced belay skills, anchor building and setting up top ropes.

**Trad Lead Climbing** Sept 19 - 20  
Traditional climbing opens up some amazing climbing areas to the experienced climber. With this course you'll develop the required skill set to protect traditional climbs and build/clean natural anchors.

**Intro to Multi-Pitch Climbing** Sept 26 - 27  
Due to their length and complexity, some of the biggest and most impressive outdoor routes require multi-pitch techniques. Our professional instructors are here to help prepare you for a multi-pitch adventure of your own!
